In 2015 we moved to the banner of The Andrew Nunns School of Music.

ENROLMENT

Enrolment is at the start of Term 1 and re-enrolment is at the start of Term 3.

Enrolment forms are sent out as digital and hard copies at the start of Term 1 with a 2 week window to enrol before lessons start.

There is 240 spots available in the program, there has been times where enrolment has closed early due to these spots being filled, so it's recommended not to wait till the last minute.

Cash and Direct Deposit are the only available options for payment.

LESSONS

All lessons are 30 minutes, in maximum groups of 6 and are held during school hours.

No need to rush to a private lesson after school.

Where possible times are shuffled through the year to ensure that students are not missing the same session.

Teaching days are Andrew (Monday and Friday), Gary (Tuesday) and Lisette (Wed).

After a full year of fun and learning we hold a "Concert Extravaganza" to showcase your child's/children's musical talent to parents and carers.

In addition a school band is also formed who perform at the end of year functions.

Gary, Lisette and I are extremely proud of our music program, knowing these lifelong skills will further enhance a student's skills and life forever.
