Inclusion and diversity

Essendon North Primary School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff. At Essendon North Primary School, our vision is to be 'Global learners and leaders, exceeding expectations.' Our mission is 'We maximise the potential of all; empowering independence, excellence, innovation and critical engagement with the world.' We believe in our Guiding Statements, and as a learning community, are committed to embedding these within the fabric of our school. We are Brave, Bold and Connected. Our school has an International Accreditation with the Council of International Schools (CIS) and is authorised as an International Baccalaureate (IB) World School, offering the Primary Years Programme (PYP). This is reflective of our commitment to high quality, challenging, international education that Essendon North Primary School believes is important for our students.

The entire school community is actively involved in the life of the school and shares a commitment to being an innovative leader in education. The School Council and the Executive Team are partners in providing a unified purpose and direction for achieving a quality education for every child. Parent involvement and engagement in student learning is valued and actively promoted. Parents are encouraged to assist with classroom programs and are involved in regular whole school events.

Essendon North Primary School is located in Wurundjeri Woi Wurrung Country, approximately 12 km north-west from Melbourne's Central Business District and our Local Government area is the City of Moonee Valley. A total of 600 students are enrolled in 2022. Our evolving demographic now boasts 36 percent of students with English as an Additional Language (EAL).

Our school continues to offer a broad curriculum and an extensive co-curricular program that enables our students to experience new challenges and opportunities beyond the classroom. From Foundation to Year Two, our focus is on establishing solid foundations in Literacy and Numeracy, and from years Three to Six our focus builds breadth and depth. This approach, complemented by a clear focus on student achievement, provides solid foundations for students to access rich and diverse learning experiences. The focus on an inquiry-based curriculum that utilises and extends the application of contemporary learning technologies in collaborative learning environments provides engaging and stimulating opportunities for students to extend themselves and maximise their potential. These learning opportunities and improvements are supported through a lens of wellbeing.

Our school offers a range of specialist and extracurricular programs including languages education in Chinese (Mandarin), Visual and Performing Arts, Health, Physical and Sport Education, English as an Additional Language (EAL) support, interschool sport, Perceptual Motor Program (PMP), choir, instrumental music tuition, student agency, leadership and voice, Buddy Program, Lunch Clubs, Camping Program, incursions and excursions, and an Out of School Hours Care Program.

We have developed a comprehensive program and service structure for students with additional and complex needs including participation in the Victorian Student Excellence Program and external opportunities (Gateways, ICAS, Science Talent Search) and comprehensive support for students with disabilities (PSD) and students at risk.

At the very heart of our purpose is to provide every child with the best possible education. We recognise that this will be achieved by our staff, and are committed to delivering high quality teaching practice so that every child learns and achieves high standards.

Essendon North Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Essendon North Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Essendon North Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Essendon North Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, excursion and camps) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- provide a consistent model of education through our Primary Years Programme, valuing engagement and student voice
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Essendon North Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed. Our Student Diaries, commitment to Respectful Relationships and The Resilience Project, provides avenues and resources for students to approach and address behaviours of concern.

Reasonable adjustments for students with disabilities

Essendon North Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes, Learning Support Group meetings and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement policy* or contact our coordinator for Student Engagement and Wellbeing for further information.
